--it's getting hot in the

-and with the heat comes the need of proper facilities to bring comfort to the kitchen. Two of the greatest hot weather conveniences is the Refrigerator and the Fireless Cooker.

The Automatic Refrigerator

is, in our opinion, THE scientific Refrigerator. Its many good points designed to keep your food from spoiling and to cut your ice bill makes it the premier of all refrigerators. Its seven walls, coupled with its air-circulating system, is your guarantee of

The Thermatic Cooker

- will insure well cooked food, and well cooked food will insure health. A Thermatic Cooker will reduce your fuel bill, and will save the good housewife many uncomfortable hours in a hot kitchen:

Come in today, tomorrow, any time, and let us demonstrate these "comfort makers" to you.

Here is Milk You Can Always Rely Upon!

Evaporated Milk comes in many different grades. When you buy Armour's Veribest the Armour Oval Label guarantees you the top grade.

Makes delicious, smooth-textured ice cream and candy. Fine for making biscuits, puddings, custards, etc.

The famous Armour Oval Label stands for absolute dependability on milk, as on 300 other pure food products. It is the guide to assured value.

Keep a dozen cans of laubest Milk on your pantry shelf. All good dealers can supply
